

## LIONS AUCTION SALE FRIDAY

### Dr. Lewis Addresses Home & School Club

#### "WHOLE" CHILD BEING TRAINED TO-DAY

Those of our citizens who attended "Father's Night," sponsored by the Home and School Club Tuesday evening, when Dr. A. C. Lewis of Toronto, was the guest speaker, were privileged to hear an interesting and educational address, which is printed in detail.

The savage of all lands in the simplicity of their life had no school to contend with. The whole culture and lore of the race was handed down from father to son and from chief to tribesman as a matter of course and of inevitable duty. From time immemorial the Chinese have taught their children politeness and obedience, respect for their ancestors, the wisdom and culture of their race and numerous fine crafts through the medium of their daily living. The Spartans practised temperance and endurance, the Athenians instructed their youth in wisdom, courage, justice and the arts, sometimes in the gymnasium or praetorium which became the forerunners of the modern school. In the days of our grandparents the average child if he were in a neighborhood which provided schooling, received instruction in the three R's with possibly a smattering of literature, geography and history thrown in, if the teacher himself were sufficiently erudite in these cultural subjects or frills as they might have been called. Beyond this the school had little or no responsibility toward the pupil or the community.

How different is the situation today. In order that our children may be fitted for their places in our complicated super-civilized life it is essential that they attend a well organized school for many years so that they may gain some idea of the vast accumulated knowledge of the past as well as its adaptation to the present; that they learn to think, to reason, to weigh the good and bad, to estimate the mistakes of the past and to build for the future.

To-day a new emphasis is being placed on the training of the whole child, not merely on his intellect. The objective has changed from the simple acquisition of knowledge to the development of character and adjustment to life. Enterprises are introduced into the work of the classroom with the intent not only of conveying factual knowledge but with the idea of relating it to the life of the child while simultaneously developing his social and emotional powers. The wide range of subjects and different methods of approval are designed to meet the varying emotional needs of the child as well as to develop skills, attitudes and appreciations which will enrich his life. While relieving the monotony of classroom work they tend to increase his powers of enjoyment so that his later days may be the fuller and happier. The many activities which are organized within the school community all play their part in giving each child encouragement in finding his latent talents and then

#### WHAT A COLLECTION

See for yourself the collection of articles, new and used, useful and ornamental, modern and antique being offered for sale to-morrow evening at the town hall. A full evening of fun mixed in for good measure.

#### BIG NIGHT PLANNED FOR BRITISH WAR VICTIMS

A big evening's fun while helping the Telegram British War Victims Fund, is being arranged for Middlebrook's dance hall at Armitage on Tuesday, Feb. 17.

Tickets are now on sale for 25c, which entitles holders to dance and participate in a draw for an electric grill, electric toaster and hamper of groceries.

Watch next week's paper for particulars about the auction sale.

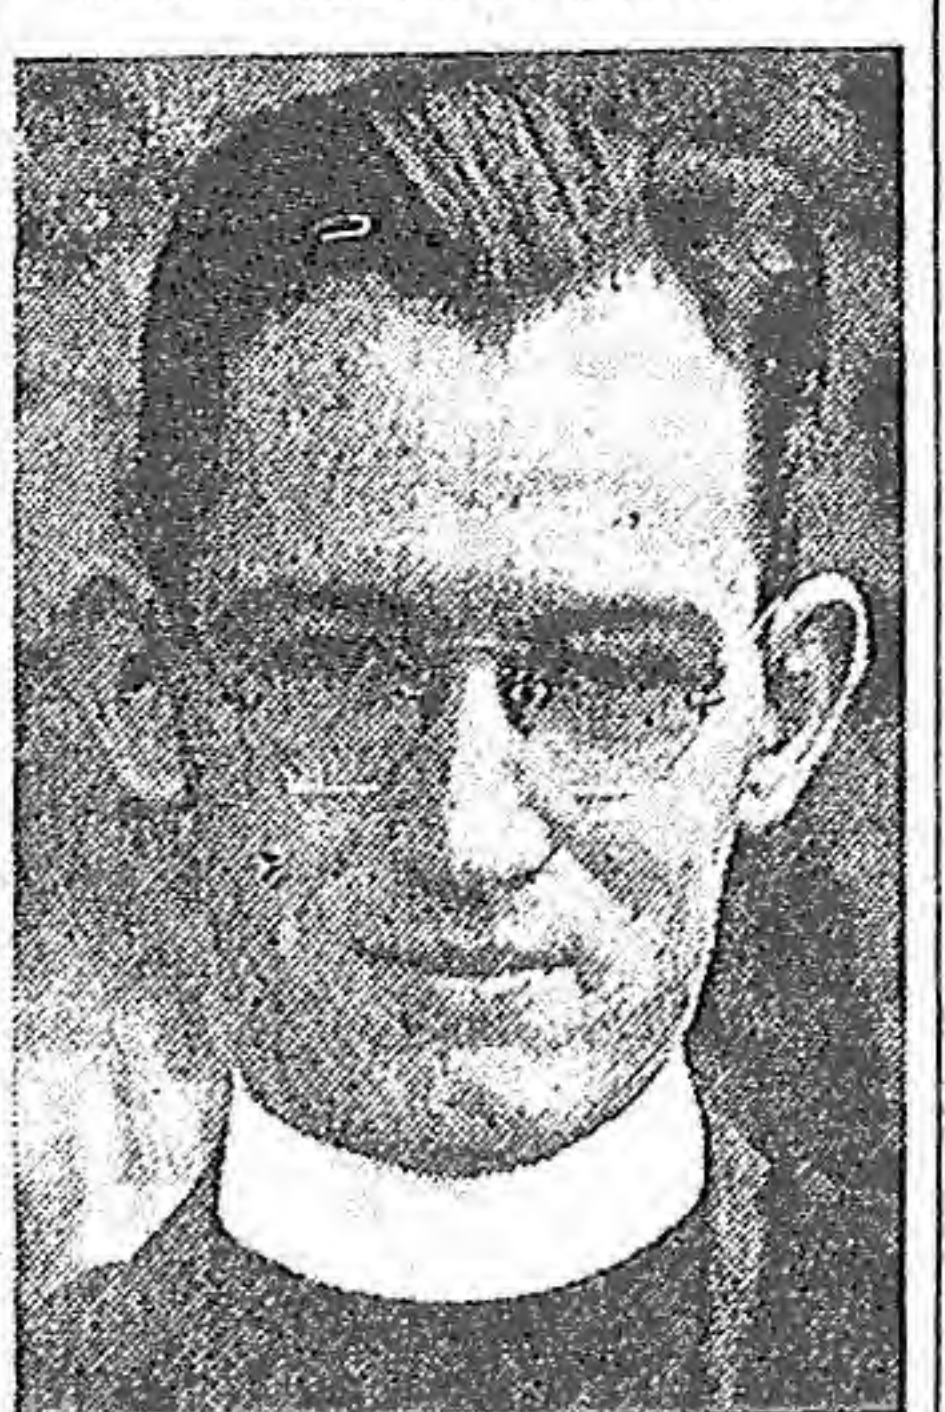

#### ANNUAL HOSPITAL MEETING

The annual meeting of the York County Hospital Association will be held on Monday, February 9, at 8 p.m., in the Council Chambers, in the Town of Newmarket, for the purpose of receiving annual reports, election of three directors and the transacting of any other necessary business.

All interested in the hospital are invited to be present.

### Motor Accident Takes Two Lives

#### NEW ANGLICAN MINISTER

REV. G. H. JOHNSON, M.A., B.D., who comes to St. Paul's from Christ Church, Oshawa. Mr. Johnson is a graduate of the University of Toronto and Trinity College, where he won several prizes and scholarships.

#### CAR BADLY DAMAGED ON HURON STREET

Harry Graves of town had his 1928 Ford badly smashed Saturday night when it turned turtle on Huron Street. Other occupants of the car received cuts and bruises.

#### LIONS HEAR DEBATE ON STATE MEDICINE

An intensely interesting debate on "State Medicine" was given at the local Lions Club by members of the debating society of the high school Monday evening.

Principal J. B. Bastedo introduced the debaters, Miss Shirley Stevens of town, and Miss Betty Ross of Mount Albert, who advocated the government taking over the control of medical and hospital services, and Miss Una Pollock of Keswick, and Bob Brooks of town, who upheld the principles at present in vogue. The four students presented their respective cases ably, and the judges had some difficulty in deciding in favour of state medicine.

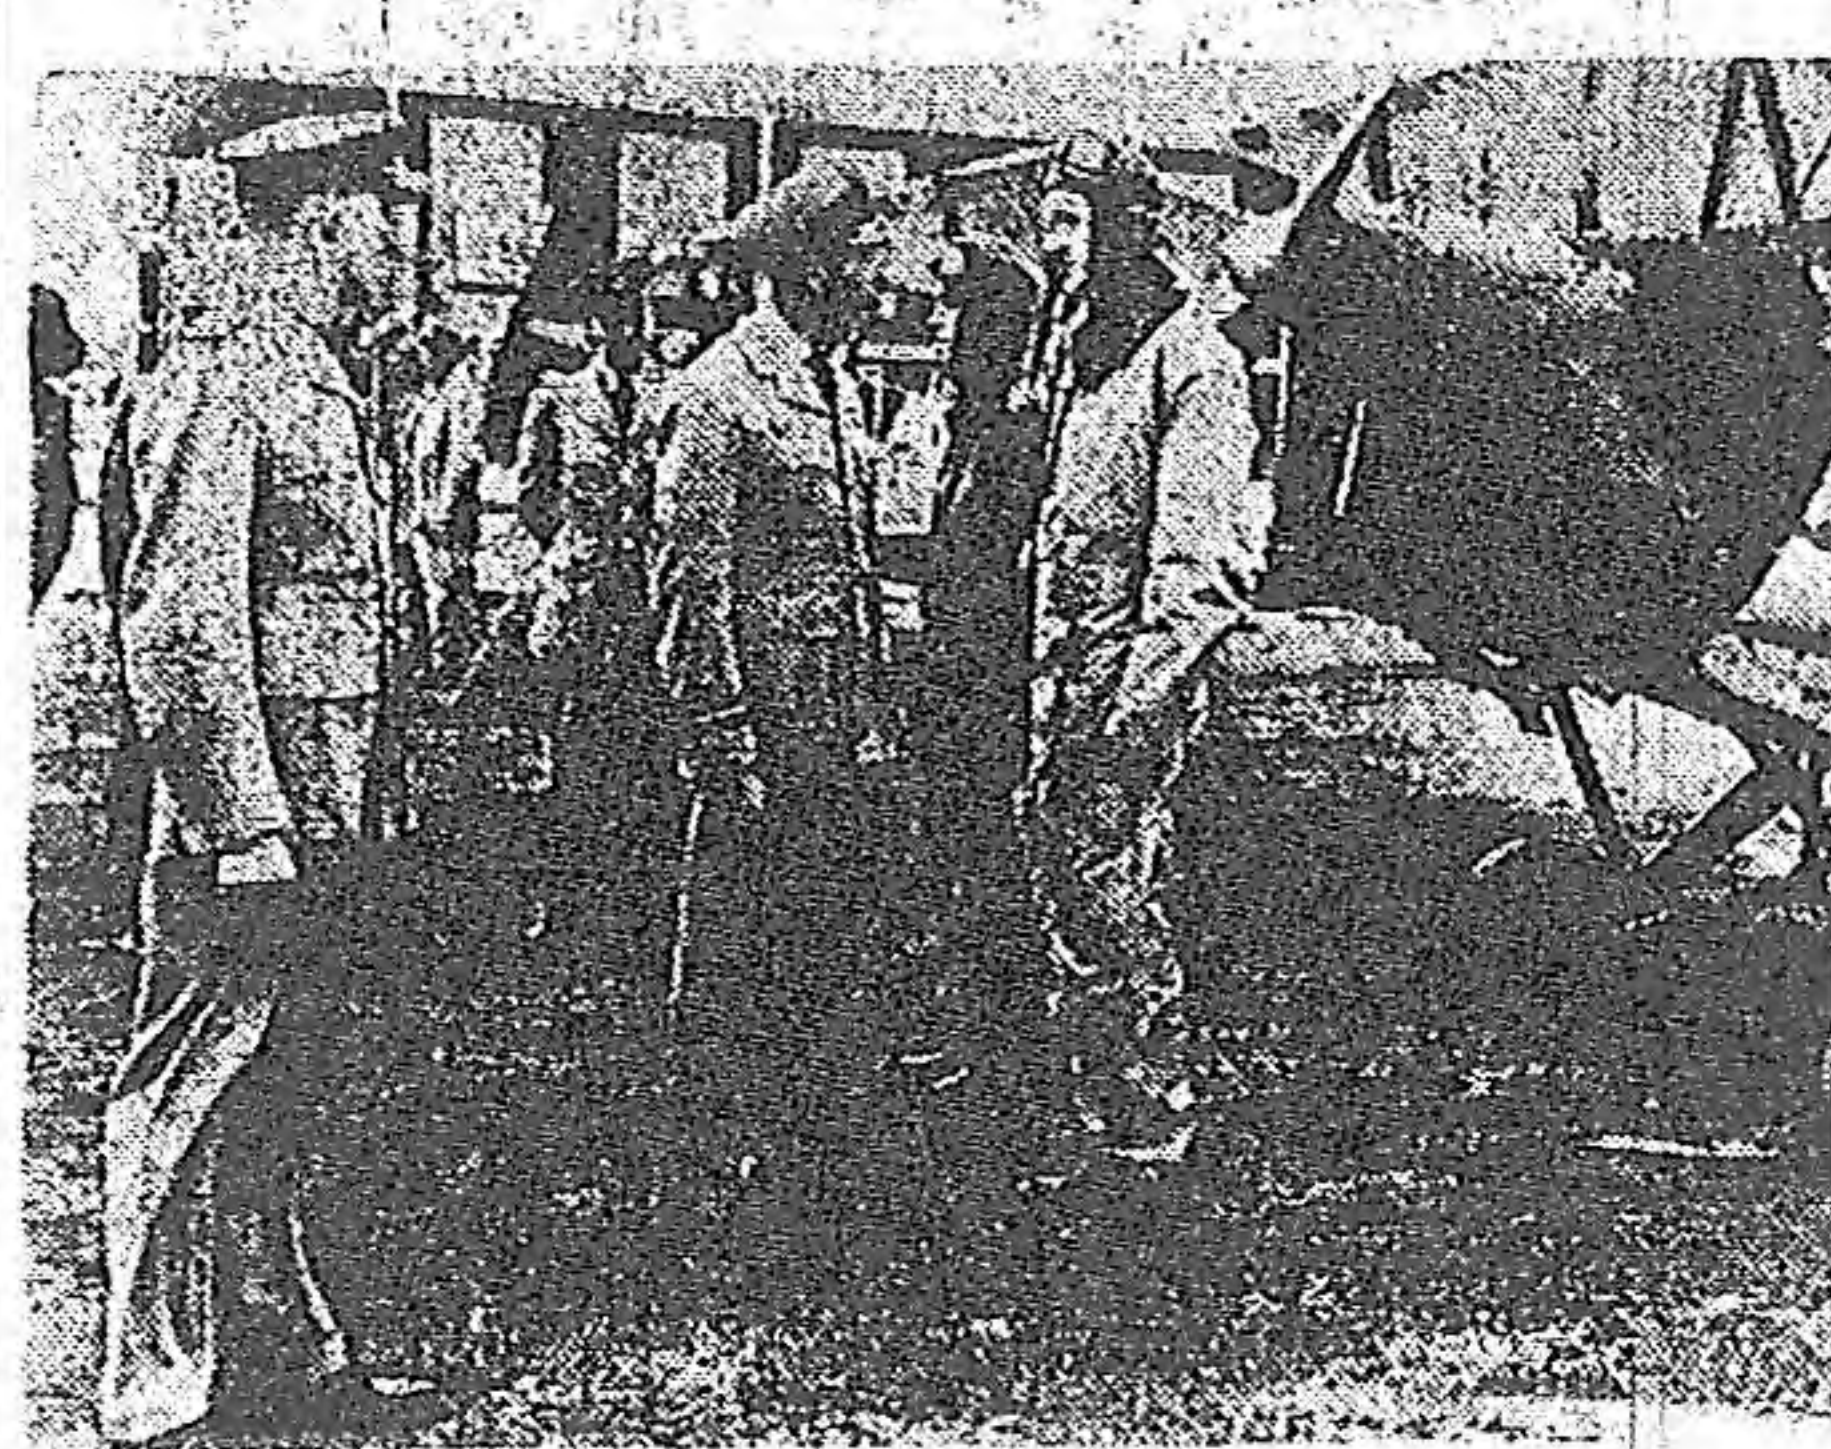

It was recommended to the executive that grants of \$10 each be given to the Chinese Relief Fund, and the Kiwanis Milk for British Children Fund.

Stephen Rose and Mr. Victor were admitted to membership. Lion Art Pugh of Barrie conducting the initiation service. Five other Barrie Lions were present at the meeting.

Lion Fred Thompson gave his report on the quantities of white elephants being donated for Friday night's sale.

The generous offer by three Newmarket artists of \$200 in paintings and wood carvings for the sale was gratefully accepted.

#### WITH THE AIR FORCE IN ENGLAND

SERGT. PILOT WILLIS THOMPSON now in England with the R.C.A.F., is shown chatting with the Duke of Kent during an inspection at Edmonton. Willis is the son of Mr. and Mrs. Fletcher Thompson of Oak Ridges, and a brother of Mrs. Leonard Owens of town.

#### SOLDIER GIVEN SUSPENDED SENTENCE

Only three cases appeared on the docket before Magistrate W. F. Woodliffe at Newmarket Police Court this week.

Willard Delorme of the Newmarket Military Camp, who pleaded guilty last week to a charge of theft from Webster Motors, was given suspended sentence for one year, after his superior officer from the camp had agreed to take accused back in the army.

David Williams of Aurora pleaded guilty to a charge of driving with his license suspended.

"Your Worship, on December 28, at 2.30 p.m. in the town of Aurora, I observed David Williams driving north on Yonge Street in a car belonging to his father," testified Traffic Officer Ferguson. "I followed him to the British American Service Station where he stopped and attempted to put air in the tires. I believe he had Mrs. Williams, his wife, with him at the time. He has been disqualified from driving for some time. Since the last conviction this man has taken upon himself a wife and has been in the army. I have a feeling he is trying to do the proper thing, and on this occasion he was more or less getting back the property belonging to his father. He had lent the car to a friend, and as it wasn't returned when it was supposed to be, the accused had gone for it. This is the fourth time he has been convicted of this offence. I would like to see him get a break owing to the fact that he has been in the army and now has a family to support."

"I cannot understand you doing this," remarked His Worship. "You have gone to jail twice and I find you before going to jail. There is a very severe penalty attached to this. I would probably be quite satisfied in sending you to jail for six months. That is what you are asking me to do by driving a car. However, I will give you one more chance. It seems that I have been giving you a lot of chances. I'll fine you the sum of \$10 and costs, or 10 days. The car will be impounded for three months."

L. S. McDonald of the Newmarket Military Camp, charged by Const. Sloss with failing to produce operator's license, was fined \$3 and costs.

tendent of maintenance for Durant Motor Car Company, and later formed the R. J. Hibbs Construction Company.

He is survived by his widow, Margaret Nicol; one daughter, Mrs. Thomas McAllister, Malton; two sons, Robert, 20, and Edward, 17; two sisters, Mrs. Al Molr and Mrs. George Galimberti; one brother, Sidney, and his mother, Mrs. Susan Hibbs, all of Toronto. Funeral will be held Saturday afternoon from St. Cuthbert's Church.

#### MONSTER EUCRE PLANNED FOR FRIDAY, FEB. 6

On Friday evening, Feb. 6, a progressive eucure is being held at the town hall under the auspices of the Veterans. Proceeds from this eucure will be used to help send cigarettes to Newmarket boys overseas. It is hoped that the capacity of the hall will be taxed for the event. Arrange with your friends now to attend. A real evening is promised with excellent prizes and entertainment. The admission is but 25c.

### To Conduct All-Out Salvage Collection

#### EVERY CITIZEN IS URGED TO CO- OPERATE

At a meeting on Friday of last week, attended by the Mayor, members of the recently appointed salvage committee, representatives of the Boy Scouts Association, the press and other interested citizens, the question of "Salvage Collections" was thoroughly discussed. The committee was enlarged to include representatives of the Boy Scouts and plans were made for an all-out salvage collection, to be conducted by the committee.

The purpose of this campaign is, first, to obtain all available scrap materials which are urgently needed for war purposes, and secondly, to obtain funds for essential war charities.

For the past nine months the Boy Scouts have conducted the salvage campaign both from residential areas and from Main Street and Industries. The amount of material collected has increased rapidly in recent weeks. Collections on Main Street must be made throughout the week, and there is not sufficient time after school for the boys to do this work, with the result that paid help had to be secured. Collections from residential areas will continue as in the past at regular intervals and the Scouts will continue to assist in this work. No effort will be spared to obtain

### Hundreds Of White Elephants For Sale Fri.

#### \$200 IN ART PRIZES DONATED FOR DRAW

The Lions Club appreciates the generous response to their appeal for white elephant articles, new and used and will offer a wonderful variety of material for sale on Friday night of this week in the Newmarket Town Hall. This sale will be officially opened at 7.30 p.m. by Mayor Dales. Our popular auctioneer, Fred Smith, will then take the stand and a staff of clerks from the Lions club will help keep the ball rolling.

We understand this sale is exempt from all price ceiling regulations, and with a number of pieces of furniture suitable for home or cottage such as a Mason & Risch piano, tables, china cabinet, bedsteads, desk, mirror, lamps, there should be no dirt of bids. There are a number of skates and shoes, a bicycle nearly new, toboggan, skis, wagons, dishes, good clothing and—well, look over the list in the advertisement in this issue.

Good folks of Newmarket, if you were away when the Lions called at your house, or you happened to be missed, please phone Secretary H. F. Gilroy at 505, or Chairman Fred Thompson at 106. They will have any last minute donations called for unless you can bring them to the town hall before the sale.

The Lions in addition to their usual work with our underprivileged kiddies here in town, are

#### MORE TO IT

In last issue we stated that Percy Hutchison had a clock that told the day and month. To this should be added that it tells the date as well.

again contributing to the Lions' British Child Bomb Victims' Fund which under the patronage of Her Majesty Queen Elizabeth is administered by the Waifs and Strays Society. Hundreds of most pathetic little bomb blasted children are being taken care of by the Lions Clubs of Canada. All money is being transmitted by the St. Catharines Lions free of charge as part of their contribution. To date over \$31,000 has been sent by the Lions Clubs of Canada.

Local Lions are looking for your support with goods and generous bids on Friday night. The committee has arranged for a very snappy evening, and there will be some pleasant surprises in store for the bidders.

Two hundred dollars worth of paintings and carvings have been donated by artists of Newmarket for a special Lucky Draw, so be sure to get a ticket on these from a member of the Lions Club. These prizes on display in Morrison's Window include a gorgeous hand-carved mahogany, walnut and stained glass jewel case, large oil paintings by Wm. J. Hopkinson, and Robert Chadwick. A quarter spent on a ticket will make you feel like a million.

### TOXOIDING FOR SCARLET FEVER SHOWS RESULTS

The following instance is pretty good proof of the value of toxoiding as a preventative in scarlet fever.

Three of a family of five small children in town were immunized at the school clinic during last summer against scarlet fever. One child was in a hospital in Toronto and one pre-school child were not done. At the present time the two children who were not toxoided are down with scarlet fever, while the three who were toxoided have

remained free of the disease though they have all been running together in the same house.

The Public Health Act says that whenever any householder knows or has reason to suspect that any person within his family or household, or boarding or lodging with him has any communicable disease, he shall, within twelve hours, give notice thereof to the secretary of the local board of health or to the medical officer of health. ## EDITORIAL

### HOW MUCH AM I BID?

We have urged our readers before to attend different functions in town and district, but never have we gone all out to direct their attention to an auction sale, but when a hundred articles, from pianos to perambulators, and from potatoes to unmentionables are to be put under the hammer, it behooves us one and all to take notice.

The big auction takes place to-morrow (Friday) night at the town hall, and if you do not have the biggest evening's fun this winter, we will be sorely disappointed. The sale is sponsored by the Lions Club for their British Children's Bomb Victims Fund. It takes 122 Canadian dollars to look after a homeless kiddie for one year. The amount raised, and how many kiddies can be looked after depends entirely on you.

The Lions in the past have sponsored many and varied forms of entertainment, which have been liberally patronized and well received by the citizens. To-morrow night's party is an open-house affair. You can join in from start to finish. Let's be on hand when auctioneer Fred Smith starts the ball rolling at 8 o'clock.

### WHAT THE MASSES WANT IN CONSCRIPTION

On the question of conscription, the masses in Canada seem to be almost of one voice. They are for it, but they are only for it if it includes conscription of wealth as well as manpower, material resources and industry.

If one man has two sons and another has no sons, but has \$200,000, should one man be robbed of his sons by this war while the other man enjoys the life his \$200,000 will provide him? Even if the latter man makes great purchases in War Savings Certificates he is but investing in something which will redeem him even more money at some future date. His contribution to the war effort is not personally as great as that of the man who has raised two sons who have been taken by the army, navy or air force.

Perhaps this man was counting on those two sons for his security during his old age. Having given them his all that they might have education and training, perhaps he was expecting them—as he had every right to expect—to support him when he became too old to work any more. With both of them away at war, and with the possibility that man must keep feeding for himself in his old age.

The man who has money to spare should be made to give of it in direct proportion to the man whose family would be made to serve in uniform should conscription be enforced. Money will not buy manpower, but it will pay for the manufacture of guns, tanks, planes and ships, of which manpower must have a vast amount before victory can be accomplished.

The Canadian Legion stands for conscription of wealth, manpower, industry. The Legion is adamant in its insistence that wealth be included. There is no denying the logic of the argument. Money, as well as men, is needed to win, and those who have made money out of Canada in the past should be assessed for Canada's protection now.

In the latest proposals for conscription, the word wealth is studiously avoided. The masses in Canada will not be in favor of conscription unless it entails money as well as men and machines.—The Nugget, North Bay.

### NOTE AND COMMENT

Be on hand at the town hall to-morrow evening and take home a few Lion elephants.

A girl and a car are much alike. A good paint job conceals the years, but the lines tell the story.

The chap who didn't intend to buy a new car anyway will now be able to put up quite a front by telling how badly he feels because the government intends to forbid the making of new ones.

Barrie town council last week granted 33 licenses for amusement machines at a fee of \$150 each, which makes a total of \$4,950. A number of these machines are in operation in our town. What about a little revenue from this source for the public exchequer?

One way and another there is a big wastage of milk bottles during a year. It has remained for a Walkerton dairy to solve the matter to some extent. Before a pint or quart of milk is left at a home, an empty bottle must be on hand for the milkman, or in lieu thereof a five cent piece. The plan seems reasonable at that.

Regardless of what the Canadian soldier thinks about the money he receives for the services, the fact remains that he is the highest paid soldier in the world, states the Winchester Press. The average pay for a Canadian private is \$39 per month. In the United States, the draftees receive \$21 per month for the first four months, \$30 for the next eight, then \$40. This makes an average of about \$35 per month for a two-year period. The British Tommy gets \$23.55 on the average; the Italian 65 cents a month minimum; the conscript French did get \$1.05 a month minimum, but they get nothing now since they lost Hitler's famed soldier gets an average of \$6 a month; Russians \$11.77; the Japanese, \$4.65.

## ECHOES FROM THE SANCTUARY

(This column is dedicated to the task of bringing a little of the church to those who are shut-in. Its main content will be the fifth or kernel of one or other of the sermons given on the previous Sunday.)

kept outside, but now He was in. In our worship service of last Sunday morning, we considered the subject of The Kingdom of God. For the last few decades, you have heard from pulpits, and read from books the ever recurring phrases of "Building the Kingdom of God;" or "Working to Establish the Kingdom of Heaven," and other phrases like them.

But have you ever reached an actual and definite conclusion as to the meaning of the term Kingdom of God? It sounds good; it is therefore possible that you, like many others, have let it go unchallenged and unquestioned.

There is a good deal of teaching in our day which describes the Kingdom of God as an accomplishment of men. It suggests that we can so improve and uplift the social strata that it will be acceptable unto God. But this preacher is not satisfied with anything so wholly lacking in Divine emphasis, and so dependent upon the faltering efforts of human beings. He believes the Kingdom of God means a kingdom upon earth with its springs of power in heaven.

We will endeavour to explain it simply and briefly.

The Kingdom of God, the writer believes, has three distinct aspects:

The first is a PERSONAL, SPIRITUAL EXPERIENCE. Jesus said "Except ye return and be converted as little children, ye shall in no wise enter the Kingdom of Heaven."

He also said to a certain young man, "Thou art not far from the Kingdom of God."

Surely it is perfectly obvious that in these instances the Master had reference to a personal experience, an inner change, a condition wherein God had previously been throned.

Expressed briefly, it means something like this: a complete

change of loyalty; a switch over from the kingdom of Satan and Self to the Kingdom of God. This change from one kingdom to another is very simply and easily made, for it is the act of letting the Ruler of that Heavenly Kingdom come into our lives and take complete control.

The second aspect of this Heavenly Kingdom is AN OUTWARD, HISTORICAL MOVEMENT.

Where there has been a change of heart, there follows as naturally as the day follows the night, a change of life.

All who have experienced this inner change, and go out into the world to further the Will of God, are building the Kingdom of God upon earth. As they tell others the Gospel story, and they in turn are added to the Kingdom, the Kingdom grows and spreads. As the number of Christ followers increases, so do hospitals, churches, rest homes, orphanages, shelters, Christian homes, Christian ministers and missionaries, Bibles and other bulwarks of Christianity increase. And every such addition to the world is an addition to the Kingdom of God.

In a Word, the building of that Kingdom is explained and contained in that phrase which follows in our Lord's Prayer, "Thy Will be done on earth as it is in heaven."

The third aspect of the Kingdom of God is that for which every shut-in who knows the ravages of pain and physical weakness, and who also knows the Lord, is looking and longing, namely, A FUTURE APOCALYPTIC CONSUMMATION. Do not let that big word perplex you. It simply means a revelation of God in the future. This third aspect embraces the final consummation of the Kingdom of God upon earth. One day, as the scripture has said, "This same Jesus, Whom ye have seen ascend into heaven, will so come again in like manner as ye have seen Him go into heaven." That will be the day when "He shall come whose right it is, and reign King of kings, and Lord of Lords." That is the great day "When the knowledge of the Lord shall cover the earth as the waters cover the sea; and when none shall say 'know the Lord,' for all will know Him from the least unto the greatest."

Let us make sure we belong to His Kingdom by virtue of the act of giving King Jesus full entry into our hearts and lives. Let us seek to establish the Kingdom by promoting His Will upon the earth. Then we will be truly able to look forward to the great consummation of the Kingdom when He shall come again."

ARTHUR GREER.

## BANK CREDIT ESSENTIAL TO DEFENCE

Loans needed to further Canada's war efforts naturally have priority at the Bank at this time. However, commercial credits for customary peace-time, constructive purposes are being supplied as usual.

The maintenance of a sound, smoothly functioning, normal-times economy is fundamental to national defence—and banking service has an important part in such maintenance.

No matter what line of business you may be in, you are invited to discuss your financing problems with the manager of our nearest branch.

### HITCHHIKING SIGN URGED FOR SOLDIERS

George Duffield, president of Aurora Civilian Defense Committee, said last week he wants "a huge V erected here" with large signs out-side town reading: "Stop at the 'V' in Aurora and pick up a soldier or airman."

"If something like this isn't done," said Mr. Duffield, "we are going to have some of our boys killed on the highways and in the town when they step out to thumb a ride."

Mr. Duffield said he will take his suggestion to military and R.C.A.F. headquarters in Toronto for approval before having a shelter established here for hitch-hiking soldiers and airmen.

### SHARON WOMEN'S INSTITUTE

The regular meeting of the Sharon Women's Institute will be held at the home of Mrs. Norman Crone on Wednesday, February 4, at 2 p.m. Union Street Institute will furnish the program. All members will provide lunch.

### HOUSE OF REFUGE SAID ONLY FOR AGED

York County House of Refuge is not a hospital for incurables, the commissioners told York County Council last week in presenting their report for the past year.

"A situation which existed some five years ago has not been completely eliminated and the inmates of the institution are in good health and are given the best possible medical care. A doctor is on call at all times and a nurse in residence and the matron is also a nurse," the commissioners said.

In answer to an inquiry from Reeve W. E. MacDonald of New Toronto, the commissioners reported that there was a radio at the home and that concerts and other forms of entertainment were supplied the inmates from time to time.

"I ask this question," said Mr. MacDonald, "because we had a man go to the home from my municipality and after staying there a short while he returned to town and asked to be given any sort of a job so long as he could stay in New Toronto. He was satisfied with the treatment he received and with the meals served to the inmates but declared that he nearly died from loneliness and boredom," Mr. MacDonald explained.

Council accepted the report, which stated the number of inmates at the end of December was 79, of which 59 were men and 20 were women. During the year 22 have been admitted, 15 discharged and four have died.

### CHRISTIAN CHURCH JUNIOR LADIES' AID

The Junior Ladies' Aid of the Christian Church will meet at the home of Mrs. W. B. Epworth, 15 Raglan St., on Thursday evening, Feb. 5, at 8 p.m. A full attendance is requested.

### EAST GWILLIMBURY RED CROSS NEWS

The ladies of the East Gwillimbury branch of the Red Cross Society packed on January 13th the following shipment to be sent to headquarters:

11 pr. boys' pajamas, 1 boy's unit consisting of shorts, jacket, sweater, 1 pr. socks, 4 women's units consisting of 1 knee-length coat, 1 skirt, 2 blouses; 18 pr. long seamers' stockings, 29 pr. short seamers' stockings, 12 turtle-neck sweaters, 5 army scarves, 5 army turtle-neck sweaters, 35 pr. army socks, 5 pr. leather-faced seamers' mitts, 8 pr. plain seamers' mitts, 5 pr. army gloves, 1 alternate cap, 1 plain ribbed helmet, 11 large quilts, 2 Afghans, 16 diapers, 12 baby sweaters, 5 pr. soakers, 4 bonnets, 7 pr. booties, 1 box refugee clothing, 2 women's shirts, 2 women's skirts, 2 women's blouses, 5 children's dresses, 1 coat and bonnet set, 1 girl's sweater, 1 child's nightgown, 1 baby blanket, 10 pr. children's mitts, 1 pr. ladies' gloves, 1 pr. boy's socks, 4 pr. children's slippers.

### CROP IMPROVEMENT ASSOC. WILL MEET FEB. 2ND.

The annual meeting of the York County Crop Improvement Association will be held in the board room of the Department of Agriculture at Newmarket on Monday, February 2, at 1:30 standard time, when the directors appointed by the various agricultural societies, seed growers and farmers conducting crop tests will elect their officers for 1942.

For this year's meeting the executive has arranged a very interesting program with reports from at least one farmer in each group of crop tests including the work on hybrid corn, oat varieties, control of water core of turnips, hay-pasture mixtures and potato demonstrations.

Plans will also be made for the county seed fair which will be held this year at Woodbridge on the invitation of the Woodbridge Agricultural Society on Friday, March 13. Thos. Blackburn, of Kettleby, president of the society states there have been some very interesting crop demonstrations and hopes there will be a good turnout to hear the various reports.

### PTE. BLENCOWE WRITES FROM OLD LAND

The following letter from England was received recently by Howard Proctor of Prospect St. England.

Dec. 3, 1941.

Dear Howard:  
Your parcel was a very pleasant surprise, indeed. You know, I have thought of writing you different times, but I thought you would be busy and it would be a bother. So I did not even send a card. I am sorry now, and I want to thank you very much indeed. It was swell.

One reason I enjoyed it so much was because we have been moved recently to a different camp where things are not so nice as they were. We are sort of in the bush and we are all doing pick and shovel work fixing roads and ditches and paths. There is no hot water or electricity yet, but we have sort of fixed up makeshifts, and it is not too bad. I don't know whether they had these tin-roofed huts with the walls and roof all a semicircle and with cement floors or not last time, but that is what we are in now. We are getting used to it.

I remember you advised me the artillery was the best bet, but on the whole I am not sorry. Last spring I transferred from a rifle company into the brass band and I really like it. We are not an authorized band but we have our afternoons for band practice, usually. Officially we are the A.A. platoon, so we do most of our route marches on our trucks. Not all, though.

We were in London Monday with our bugle band and some singers from the regiment giving a half-hour broadcast and recording for a Canadian broadcast. We were guests of the BBC for luncheon, and it was swell. Strictly a high-class joint, too.

We are scheduled to play on Dec. 12, too, just a band programme I think that will go to Canada on the Saturday night programme.

On Xmas Eve and Xmas Day I think we play carols to be broadcast direct.

Well, I have told you a lot about myself. I hope you and your family are fine, and have a happy year. You'll have to write and tell me how things are at the factory and all.

Well, I'll say so long. Thanks a lot and best of luck.

Yours,  
G. T. Blencowe.

P.S.—We have had some very good times over here incidentally.

## PLAIN TALK FROM FERGUS ON WAR 'AD'

The following editorial from the Fergus News-Record, one of the best-edited and most influential weeklies in Ontario, is of particular interest because the publisher, Mr. Hugh Temple, has but recently returned from England.

In this issue there appears an advertisement from the "Committee on Total War." It is large and therefore impressive, and it is signed with the names of some 200 persons, a few of whom we know quite well, more of whom we know by reputation only, but most of whom we never heard of before.

It may be that readers of the News-Record will believe that this is an expression of editorial opinion, or at least that we are in accord with the opinions expressed. That would be wholly mistaken. This is a paid advertisement, coming to this paper through a reputable advertising agency, with which we have dealt for years. We know, therefore, that we are likely to get paid for the insertion. We do not know who is putting up the money. We understand from regular news sources that it is "a small group of rich men."

Of course, we can agree with many of the statements cleverly gathered together to make up the advertisement. After being in Britain recently and after meeting many refugees from Continental Europe, who had escaped to Lisbon and thence to freedom, we are convinced that Canadians hardly know there is a war on yet. We must do much more than we are doing. But we must do it in ways that will bring the greatest advantage to the cause of the United Nations. We are not convinced that the form of conscription, as introduced near the end of the last war, is the right way. It does not go nearly far enough. It takes the youth of Canada and forces them to risk their lives, and leaves older people and their resources untouched. We feel that something broader than mere "conscription" is required. We recall, too, the bitterness of the soldiers who got \$1.10 a day during the last war, whether volunteers or conscripts, while some people made millions

out of food and other necessities, while politicians rode to power under the name of Union Government by the most corrupt election practices we ever saw, and probably the worst Canada ever saw.

It is the memory of these things that makes us wary now about falling in with every new parade. We understand that the King government is going to introduce some form of selective service. What the details will be, we do not know. Perhaps the people who are paying for this advertisement know something of the details. At any rate, it seems that many people—and particularly many rich people—would prefer the old form of conscription that takes the boys only, rather than what is likely to come.

In all fairness, it should be pointed out that the Dominion government has done a great deal already to make Canada's war effort well worth while. One of these things has been an honest effort to keep prices down. There has been no such chance to profiteer this time as there was in the last war. There have been other restrictions, too, which have benefitted millions, but must have stepped on a few toes.

For some reason, the Globe and Mail has had a spite at Prime Minister King. It is backing the various movements to stir up discontentment and apparently has a considerable share in this latest project. This is one more reason for regarding it with suspicion.

The Globe and Mail still calls itself "Canada's National Newspaper," but it would have a hard time proving it.

Of course, you can write to your member of parliament if you like. That won't do any particular harm. If you write your own opinions, instead of echoing those of some persons unknown, it may do good. But we suggest that you wait until parliament opens and see what is really the programme before condemning it. At least, that would be more sensible.

And when somebody tells you that the United States is doing more in proportion to population and wealth than Canada has already done, the best answer is a hearty laugh.

W. C. T. U.

The regular monthly meeting of the W.C.T.U. was held at the home of Mrs. Winn, Tuesday, January 13th, the president in the chair.

Mrs. Phimister conducted the Devotional period, reading the greeting of the New Year from the "White Ribbon Tidings." Mrs. Dales led in prayer.

A letter was read from Mrs. Montsinger, Superintendent of World Missions, urging that our Union remember the same with an offering for a live missionary spirit which sends \$5 for World work and the Tidings to a missionary is considered a "Light Line Union."

Owing to a request being made for used clothing in good repair, by workers on different fields, it was decided to send a bale to the Grenfell Mission, whose headquarters are at 40 Howard St., Toronto. Donations will be appreciated. Send in soon to Miss Toole, phone 318W.

The February meeting will commemorate the life and work of Francis E. Willard. A lengthy article was read on "Democracy," or "What are we fighting for in this war?" Quotations from prominent men were given in answer to this question, such as freedom of speech, freedom to worship God, freedom from fear, from want and freedom from the aggressor, who would crush out every individual aspiration which is noble in the men and women of a nation.

The whole article breathed with a longing for Peace, which all nations should enjoy. We thank the reader for her interesting research. We are paying the price.

Mrs. Starr of Pine Orchard, brought us word of the meeting of the North York Temperance Federation to be held in Trinity Church, Newmarket, Feb. 13th. An oratorical contest will be held at that meeting.

In the news from B.C., from the White Ribbon Tidings, we read: "The District W.C.T.U. sent a strong resolution against the use of shipping space, and convoy to protect beer on its way across the Atlantic, yet in spite of all protest and petitions, our papers report that 1,000,000 cases of Canadian and American beer and ale are being shipped directly to the Imperial Forces in the Middle East."

The Transport Controller states he has no knowledge of any beer being purchased by the Department of Munitions and Supply, or any other department of the Government for the use of Canadian troops abroad. He adds that he thinks possibly the newspaper item refers to some beer which was purchased in Canada by the Navy, Army, Air Force, Institute of London, and believes that a quantity of Canadian beer for their canteens in the Middle East, West Africa and Iceland has been purchased and shipped.

The Controller says that the great bulk of that shipment is going to the Middle East for the British and Allied armies in that territory, and he points out that it is practically all used for broken stowage, that is, the space left by Army vehicles is filled in with beer in cases and that there is practically no lost space.

The Newmarket Union authorized our corresponding secretary to write Honorable J. L. Ralston and Honorable Wm. Mulock, saying our Union wish also to issue a protest.

The treasurer, Miss Toole, reports receipts for the year, \$119.80; expenses, \$86.30.

The hostess, Mrs. Winn, served a dainty lunch, and a social hour was enjoyed.

NEWMARKET RED CROSS SOCIETY  
The Red Cross Society have acknowledged with grateful thanks, the following contributions of work and money.

\$6 from the Ladies' Aid of the Christian Church.

Mrs. McClure's group (Pine Orchard): four prs. socks sent overseas. They have received acknowledgment from three boys.

Mrs. John Smith's group (Yonge St. Sewing Circle): one quilt.

Vivian unit: six prs. socks, one pr. gloves, one sleeveless sweater, four turtle-neck sweaters (navy), four large quilts, three small quilts.

A very fine piece of work has been done by the Girls' Bridge Club under the presidency of Miss Lillian Daniel. The girls packed eight boxes for overseas for Christmas. These boxes contain a splendid assortment of articles. The knitted goods are made up of sweaters, socks, helmets and gloves.

They also include other things the boys like, such as chocolate, chewing gum, shaving materials, etc., etc. Each box has a value of \$5, and contains in all 25 articles.

Over and above this, the girls' club sent ditty bags to boys in the navy. They have had wonderful letters of appreciation from five of the boys. This club also does its share of sewing for the Red Cross.

TONS OF SCRAP COLLECTED  
The Boy Scouts and Wolf Cubs had a very successful scrap collection on the east side of town. The Cubs did a splendid job of getting the scrap out and tying it up. The Scouts worked hard and long, gathering it up. In fact the last truck load came in around eight o'clock in the evening.

The next scrap pick-up will be on the west side of town around the middle of February. Please watch the local papers for the date.

The boys would like to thank the people on the east side of town for their splendid support.

TORONTO BUYER OF GORMLEY FARM  
The sale of an attractive country estate located near Gormley, Whitchurch Township, and containing a fine trout stream, has been announced by J. A. Willoughby. This property is known as the Nancy Brillinger farm and is in a district rapidly being settled by many of Toronto's best known citizens. The name of the purchaser, a prominent Toronto business man, has not been disclosed. He is not taking possession of the property immediately but intends using it for a permanent country home.

This property consists of ninety-six acres, all workable with the exception of 10 acres of hardwood bush and some pasture land.

NEWMARKET GIRL ASSISTS IN WAR WORK IN ENGLAND  
The following clipping from a Portsmouth, England, paper, tells of a Newmarket girl, Doris Boag (Mrs. Fuller Crook) who has been taking an active part in war work in that city since the opening of hostilities. Doris, a daughter of R. L. Boag, and sister of Max, has been living in England since shortly before the outbreak.

Southdown Road area achieved a surprising result to their War Savings Target of £100. It was hoped to raise this amount in one month, but actually £100 18s. 6d. was attained in five days. Mrs. Fuller Crook, Hon. Secretary of the group, and Nesdames Wells, Gaston, and Finmore, who assisted her, are delighted with the fine response, writes Mrs. K. Chittle, Hon. Secretary, Cosham and District Street Group Organization.

# TO CONDUCT ALL-OUT SALVAGE CAMPAIGN

(Continued from page 1 col. 5)  
all available scrap paper, metals, rags and bones and fats, but in order to make this campaign a success the all-out co-operation of every householder is needed in saving all waste materials which are of value.

Lists of materials required have appeared in both local papers for the past two weeks, and will be distributed to each house, but in the meantime any information required can be obtained by telephoning 431.

In the past collections from residential areas have been made by Boy Scouts and Cubs, and the only expenses has been for trucks. However, with greatly increased quantities of materials considerable expense may have to be incurred in collecting, sorting and packing. Householders can assist greatly in keeping down expense by keeping different types of material separate and by parceling and tying packages so that they may be easily picked up, and the work of sorting reduced to a minimum. Separate parcels should be made of newspapers, magazines, kraft wrapping and paper bags, cardboard and other household papers. Rags, rubber and small pieces of metal may be put in one container.

Arrangements are being made for the collection of bones and fats by the garbage collectors. Bones may be placed in paper bags or boxes, and fats in covered tin cans and both placed beside a garbage can where they will be picked up. If you do not have a regular garbage collection, either place bones and fats beside your neighbour's garbage can or some place on the street where they will be easily seen by the garbage collector.

The committee believes that every householder will want to assist in this campaign to save materials which are vitally necessary for war purposes. Your co-operation is needed to make this an all-out effort and an all-out success. If you have not already done so, start now to save all waste materials. Notices of collection dates will appear in both town newspapers. Material may be delivered to the Boy Scout salvage depot on Huron Street any time.

## FORMER SHARON GIRL PASSES IN 34TH YEAR

Following an illness of six months, the death occurred on Sunday, January 4, at her home, Con. A. Etobicoke, of Dorothy Ramsay, wife of Cyril Stephens, in her 34th year.

Born on the 5th Concession of North York township, the youngest daughter of Michael Ramsay and Mary E. Jarrett, she moved as a child with her parents to Sharon. She attended Newmarket high school and was the valedictorian of her class. A graduate of the normal school, Toronto, she taught for a number of years at Humber Heights and Weston. She had been married four years.

The funeral service was held on Wednesday, Jan. 7, with interment at Riverside cemetery, Weston. Pallbearers were three brothers-in-law, Ross Fairbairn, Levi Weddell, George Wright, two brothers, Frank and Lindsay, and James Fisher.

Surviving are her husband, and a five-months-old daughter, three sisters, Mrs. Ross Fairbairn, Trafalgar, Mrs. Levi Weddell, Mrs. George Wright, Toronto, and eight brothers: Homer of England, Frank, Sharon; Harvey, Galahad, Alta.; Leslie, Biggar, Sask.; Gordon, Vancouver; Lindsay, Streetsville; Lorne with the R.C.A.F. at Clarisholme, Alta., and Fred of Edgerton, Alta.

## HEAD OF WOMEN'S GROUPS, MRS. ANNIE WALINCK DIES

Mrs. Annie McGeachie Walinck, wife of Alexander H. Walinck, a resident of Roche's Point for the past thirteen years, died Monday at York County Hospital, following a brief illness. She was born in Scotland forty-three years ago and came to Toronto at the age of 12. She was past matron of Sutton West Chapter, Eastern Star; past mistress of Island Grove Ladies' Orange Benevolent Association; past president of the Women's Institute and active in the Red Cross Society. She was also a member of Christ Church, Anglican, Roche's Point.

Besides her husband, she is survived by a son, Charles; a daughter, Marina; two brothers, Hamilton and Garden, and two sisters, Mrs. William Meester, and Mrs. J. R. Hamilton, all of Toronto. The funeral service was held Wednesday afternoon at Christ Church, with interment in Roche's Point Cemetery.

## JUNIOR SONS OF ENGLAND INSTALL OFFICERS

The installation of the officers of the Junior Lodge of the S.O.E. was held in the Lodge Hall yesterday evening, with District Deputy Brother Jay of Queens S.O.E. Lodge, Toronto, in charge. He was accompanied by Bro. Halfhead of the Administration Board, also of Queens Lodge, Toronto. After the installation a short programme and community singing was held, with popular Bill White at the piano, and the Toronto visitors were surprised and delighted when Don Cribbar, one of the young members of the Junior Lodge, played several selections on his silver cornet. Later all sat down to a banquet with tables gaily decorated with red candles and fluted strips of red, white and blue crepe paper arranged in V for Victory shape.

It is always called Mothers' Night since the mothers are invited to watch their small sons go through the regular ritual and ceremony of a lodge meeting. It is essentially religious and patriotic and fraternal. A number of guests from Toronto were present.

## ST. PAUL'S CHURCH

Last Sunday, Jan. 25, being the day set apart in the church's calendar as the conversion of St. Paul, and as the Anglican Church here in Newmarket has St. Paul for its patron saint, the services, all day, were along these lines, on commemoration of that event, Rev. G. V. B. Johnson, former rector of St. Saviour's, East Toronto, father of the rector, gave the address at the morning service, the rector taking it in the evening.  
The annual vestry meeting took place on Monday evening of this week, when the annual reports of each organization in connection with the church were submitted, and election of officers for 1942 held.

The weekly united prayer and intercessory service last night was held in the Friends' Meeting-House. Next month Rev. Koffend of the Presbyterian Church will be in charge of the Bible Study.

The Men's Club are not meeting this week but will meet as usual next week in the Parish Hall at 8.30.

The Chicken Patty Tea last Thursday afternoon was a decided success, and the Ladies' Aid are quite pleased. It grows more popular every year. The ladies had several of the volunteer girls from the camp as their guests.

Next Sunday is Septuagesima or the third Sunday before Lent. Rev. H. G. Watts, Field Sec. of M.S.C.C. will give an address at the morning service.

Next Wednesday evening, Feb. 4, service at 8 o'clock. Bishop Beverley, Suffragan Bishop of Toronto, will conduct an induction service when the new rector of St. Paul's Church, Rev. G. H. Johnson, M.A., B.D., will, according to church rules, be put in charge of the church services. Rev. Dr. F. H. Cosgrove, Provost and Chancellor of Trinity College, Toronto, will give the address, with a number of visiting clergy also taking part.

# POT POURRI

By Golden Glow.

There are so many things of interest nowadays that I just can't be bothered tying myself down to one paltry little incident, so here I am again heading this "Pot Pourri," and oh, before I start, I must tell you this one on Golden Glow. It is rather fun to write under a "non de plume," as the French a pen-name, for you quite often hear comments on your column you certainly would not otherwise get.

Two women were standing waiting for the mail in the post office as I went to the "registered wicket" as we always say, for some unknown reason. All of a sudden I heard "yes, I got fooled, I thought 'Pot Pourri' was some new kind of soup!" You can imagine I was tickled pink; wasn't that too good to be true. I'd love to have heard what the other one said, but I was past by this time, but I could tell as I waited my turn at the wicket that my "Pot Pourri" articles were under discussion, so in spite of my warning for folks not to read it if they didn't like this kind of an article, they had evidently read it and thought it worth discussing. So, besides being so amused at the "soup" remark, I am pleased too, and shall venture to try it again.

For instance, I would like to make a few remarks about the C.W.A.C. volunteers that are now serving their country by helping in all sorts of ways. Our Newmarket Training Camp has at least 17, perhaps more, and very natty and efficient they look. Up to now there is no barracks for them, so they are billeted round in various homes in town, and I understand an army truck picks them up and takes them to camp every morning (no doubt before the majority have realized it is morning!) One must admit the girls are the very acme of neatness and are most efficient looking, and I am sure they have added a good deal of zest to camp life.

Then again I want to say a word about the Soldiers' Club in the Oddfellows' Hall building. It is a decided success and grows more popular as time goes on, for it has filled a crying need for somewhere to go for the boys from camp in an evening, on a Saturday afternoon and Sundays. Oh, by the way, I believe the committee in charge were looking for someone to donate a clock, so the soldiers would know when it is nine o'clock. Down at the Strand Theatre a voice says "soldiers it is ten o'clock," but nobody has taken in that duty at the club so far as I know.

With the coming on Monday of more snow, once again the pretty little chick-a-dees came flocking back, and they were a wonderful sight till they scattered, and the air was full of their dainty little "dee-dee-dee," as they flitted about visiting the different bird stations I have in the garden for them. Of course, there has been a stray one here right along, but when the snow all vanished the majority vanished north again. Now once more we hear their cheery call as they feast at your expense!

The ducks down at Sunnyside and other places, too, along the breakwater, are always of particular interest to Toronto citizens and many carry food to them regularly. But last Saturday's Star tells about a snow owl having been seen along the waterfront. How I wish I could have been there. Oh well! We can read about it and we can keep on hoping that some day one may visit us.

Next week the whole continent of North America is to go on daylight saving time, and once again we must rearrange our radio listening time if we follow any certain program coming from the States, as no doubt we all do. "Fibber McGee and Molly" for instance, and "One Man's Family," and plenty more. We'll be "all balled up" for a while, but soon we shall get everything adjusted.

The Lions White Elephant Sale keeps people hunting through

their possessions and promises to be a lot of fun. Isn't it queer that as soon as Christmas is over we all get so busy over other things that Christmas seems ages ago. So many things stand aside for the festive season that it all piles up in the month of January and we start off February rather breathless.

But look out, don't let this gorgeous weather fool you. Wait till Candlemas Day next week to see what the groundhog predicts as regard the weather. Feb. 2, you know, is Candlemas Day, and if the groundhog comes out and sees his shadow he is supposed to go back and we'll have six more weeks of winter. So watch what the weather is like next Monday. Don't forget!

## GLENVILLE

Mr. and Mrs. Harry West of Bogartown had tea last Monday night with Mr. and Mrs. Aubrey Doan.

Mr. Allan Gould of Toronto spent the weekend at his home.

Messrs. Norman and John Annings, and Alfred Hamon of Toronto were visiting friends in Glenville last week.

Mrs. Angus Morrison and Mrs. Orval Parker of New Toronto were weekend visitors with their parents, Mr. and Mrs. William Kefter.

Mr. and Mrs. George Annings and Shirley, and Mr. Black and Howard spent Sunday in Toronto with Mr. Arthur Bruce.

Miss Frances Somerville is spending a few days with her aunt, Mrs. James West.

Mr. and Mrs. Fred Webster accompanied Mr. and Mrs. Gordon Webster to Toronto on Tuesday and spent the day visiting friends. Mr. and Mrs. Fred Smith had tea with Mr. and Mrs. Gordon Webster on Monday evening.

Mr. and Mrs. Aubrey Doan, Cal. and Helen motored to Clarksburg last Sunday and spent the day with Mr. and Mrs. Robert Loughheed and friends.

Mr. and Mrs. Fred Webster, and Mr. and Mrs. J. Jones and Donald were Sunday visitors with Mr. and Mrs. Herb Webster.

MIDLAND TOPS LOOP BY BEATING SUTTON

Midland's Intermediate "A" hockey team sailed into first place in the league Tuesday night, beating Sutton in overtime 7-6. It was the most thrilling hockey duel seen in many a day. Not in years have Midland fans thrilled to such a fast, clean exhibition, and not in years have the turnstiles clicked in the big crowd of 1,033 cash fare fans. It was a birdie to win and a bruiser to lose.

Goalie Morley White had a big night for Midland and saved the day in many a hot spot.

Antonio, who started with Midland two games back, is helping Brodeur, Steward, O'Hearn and Toole to make up the machine-like attack they are now perfecting.

For Sutton, McComb, Culverwell and Gibney were a constant headache to Midland's defense.

Scott, Midland's right defense, was in there with full measure all the time, while his partner, Sager's poke-check worked like loaded dice.

PTE. ART DOBBIE WRITES HOME FROM ENGLAND

Somewhere in England, Jan. 3rd, 1942.

Dear Ang:

Hello "Oink," how are you keeping over there in "God's Country?" Boy, how I'd like to be there right now so that I could go skating to-night! Oh, well, this blasted war can't last forever and by the looks of things over here it won't be very long either. Well, Ang, I received two of your papers this evening from you and thanks a million for letting us fellows over here know just what is going on at home and I think every one of us really appreciate your generosity in sending us your paper.

There isn't very much to do over here at nights except a few shows to go to. No hockey games to watch, in fact it's fairly dead. And believe me, Ang, this place really makes me laugh, especially the blackouts and I'll really appreciate seeing lights again. I see my best pal, Ben Bullock, quite often, in fact I'm going to see him to-morrow. Last night we were out on a scheme and slept outdoors all night. It was just like a night in May if we had been at home, but I guess it wouldn't be very pleasant sleeping outside in Canada right now.

Well, Ang, I'll close for now, hoping to hear from you real soon. I remain,

Your friend,

Art Dobbie.

Somewhere in England, Jan. 3, 1942.

Dear Bill:

Well Bill this is my first letter to you and I hope you find it interesting. I received the box which the Veterans sent me, and I appreciate their kindness very much. We have been over here for approximately three months now, and we haven't had a bombing as yet.

This country is very damp at the present time, and the most of us have colds, but still living, and that's the main thing. I've met quite a few fellows from Newmarket right here where I am, and several boys from Aurora, such as Buzz Haines, Tom Cook, Bill Dooling, Joe (Bill) Gardner, Ben Bullock from Millock's farm, who is also my best pal, Mick McJann; oh yes, and the three Blencowe brothers.

Well Bill, there isn't very much I can say that would sound interesting except that we are in a town about an hour's ride from London, and it's been a garrison town for a great number of years, so you will probably know just where it is,

seeing that you were over here during the last war.

Well Bill, thank the Veterans' Association for the lovely parcel which they sent me, and tell them that I really appreciate their kindness. I remain,

Your friend,

Art Dobbie

## DR. LEWIS ADDRESS-ES SCHOOL CLUB

(Continued from Page 1, Col. 1).

the means and opportunity to develop these, so that when he takes his place in the larger community he may be able to make his fullest contribution. In a word the child is given an opportunity for citizenship apprenticeship.

The new aim in education carries with it the inescapable implication of a guiding partnership in this developmental process, and the chief partner of course must be the home, for a great deal of the child's thinking and planning is done outside the school. So in this all-round development of the child the school and home are joined together as interdependently as Siamese twins. Some teachers do not altogether appreciate this feature, and some parents I am sorry to say, definitely ignore their responsibility but the interests of the child demand the active support of both home and school. Neither can do a successful job alone. The necessity definitely arises to-day for parents and teachers to get together as never before to discuss three general themes:

(1) the meaning and purpose of education.

(2) the nature and needs of children.

(3) the methods and techniques to be used.

There can be no real satisfaction until we achieve a certain unity of purpose in this important task.

There exist so many different ideas as to what education is and what its goal. To one it may mean high examination marks and to another wisdom and growth along intellectual, social, physical and emotional lines. What kind of boys and girls do they hope to graduate from the school? It may be important to have a good knowledge of classics, mathematics or science, but it is perhaps equally as important to be a good loser, or a good winner, to play fair, to co-operate with others and perhaps above all to respect one's own self and to make friends.

Parents can give the teacher a deal of information about the child which will be of inestimable value in understanding his difficulties and guiding his growth and development. The teacher should have a knowledge of the child's physical condition, handicaps if any exist, past diseases, physical and mental tendencies, early self care, home conditions, eating and sleeping habits, hobbies, play facilities and playmates. Much of this information can be readily supplied by the parents. And teacher and parent can assist each other very greatly in understanding various personality traits of the child which may be hampering him or preventing his fuller success, in such qualities as shyness, sulking, bad temper, bullying, self-consciousness. With forces joined there is an infinitely better chance of the child's overcoming these crippling traits than there would be if teacher and parents were working single-handed or at cross purposes due to lack of understanding. The teacher can provide much information about the child's intelligence, scholarship, industry and ability to work and play with others.

The nature and needs of children vary greatly and it is important to realize that each child, whatever his innate or acquired abilities, is just as important as any other. The great German philosopher, Immanuel Kant, said that every man should count as a man and no man as more than one. (How far has Hitler departed from this noble principle!) It becomes necessary then for both parent and teacher to know fully what each child brings with him to his task.

The methods and techniques of training also have undergone great changes during the past few years so that we who were educated in the old school must bring ourselves and our thinking up-to-date in a knowledge of these new features. Unless the parents understand what the school is trying to do with its introduction of enterprises projects and new methods of discipline there is bound to be much wasted effort. Naturally it is to be expected that the child acquires knowledge, but the kind of knowledge and the approach to it have been gradually undergoing a change. It is designed to meet the needs of to-day and of the future in so far as that is possible, more adequately than in the past. The parents should expect the school programme to point out to the child the benefit of rendering service to others rather than the importance of satisfying his own many demands and should insist in driving this lesson home.

It must be obvious to all that the new trends in education cannot be nearly so fully realized in the larger schools with overly large classes, and parents everywhere should see to it that conditions in the school are such as to promote the many-sided development of the child.

As parents we all covet a better chance and a better life for our children than has been our lot, but we must interpret the true meaning of the better opportunity. Success to many means that social prestige and wealth are the predominating factors, but until we can fully realize our responsibility towards others we have largely failed in our educational process. The precious freedom which we enjoy has been purchased at great cost. The price of this liberty is ceaseless vigilance in the future not against the rise of leadership but against the widespread decay of social responsibility on the part of those who follow. We must no longer permit dire poverty in a land of plenty. Right Honourable Stanley Baldwin made the following statement with which I would

Our sympathy to Mrs. I. Waldon whose mother, Mrs. Boe, passed away at the Waldon home here last Friday. Rev. Lapp had charge of the service here, and at the family plot in Port Perry. Mrs. Boe had been in poor health at her daughter's for some time.

Mrs. Wm. Davison attended a W.A. convention in Toronto on Thursday last and returned home Saturday. Others attending the convention were Mr. and Mrs. Orville King, Miss E. Gilroy, Mrs. Winston Prosser and Miss Joy Marritt.

Neighborhood news reports ice at Coldwater twelve inches thick. Ice being harvested here is fourteen inches thick and is being taken out of the bay at the rate of 1700 cakes per day, we are told. Mr. Carl Anderson had the misfortune to have one wheel of his truck sink in the ice on Saturday and lost a full load of ice cakes in the lake. No other damage done.

Mr. and Mrs. Freeman Rye and four children have moved to Toronto where Freeman has a position at munitions.

We were sorry to learn of the death of Mrs. Charlie Draper at Willow Beach last week, the funeral being held from the Taylor Parlors, Sutton, on Sunday. Mr. Draper was ill in Nova Scotia when the word reached him, but managed to return in time. Mrs. Draper was a native of Texas and a very fine woman who will be greatly missed by her family and friends. She leaves her husband and two married sons.

Mrs. (Rev.) Lapp and baby son have returned from a visit with friends in Toronto.

A church supper in charge of the Women's Association of the United Church, Keswick, will be held in the church schoolroom on Thursday, February 5. All are welcome. Supper will be served from 5.30 p.m. standard time on. Mrs. Cecil Grant, Mrs. Ross Stiles, Mrs. William Holborn and Mrs. John Hopkins will be in charge of supper arrangements. A good concert will follow the supper. In the afternoon a meeting of the Women's Association will be held beginning at 3 o'clock standard time. All women are welcome.

On Wednesday evening, Jan. 21, the Young People's Society of Keswick United Church had a very enjoyable time when they were the guests of Sharon United Church Young People's Society. Queensville and Wesley Young People's Societies were also entertained by the Sharon Society. The young people skated at Queensville rink, then went on in cars to Sharon Hall where they enjoyed a splendid social time. The Keswick

Young People's Society hold their regular meetings on Monday evenings starting at 8 o'clock, to which all young people are cordially invited.

The Dedication service for the officers of Keswick United Church for the year 1942 held at the morning service was most impressive. Special prayers were offered for the officers of each society who stood during the prayer. The choir sang appropriate music; Joan Peel, president of the Young People's, read the scripture lesson, and Mrs. Perry Winch told the Children's story, after which Rev. Mr. Lapp gave a brief inspiring message. At the evening service pictures were shown of missionary work in Africa, with especially interesting ones about agricultural work, and a splendid address about the pictures read.

Mr. and Mrs. Orville King, Mrs. Lapp and baby son, Martin, Mrs. William Davison and Mrs. Winston Prosser, Mr. and Mrs. Perry Winch and family all visited in Toronto last week.

Among the visitors to the village over the weekend were Helen Hamilton, Margaret Peel and Dan Mahoney, of the R.C.A.F.

Word has been received by his parents, that Royden Connel, serving with the Canadian Army, has arrived safely in England.

The Keswick Women's Christian Temperance Union met at the home of Mrs. Vaughan on Wednesday evening, Jan. 21. The members of the Union were very happy to welcome Mrs. Smith, who has worked in W.C.T.U. work for many years and has recently moved to the village. Recipes for temperance beverages such as fruit drinks were given to the members.

The members of the Lakeside Women's Institute met at the home of Mr. and Mrs. Roy Pollock on Thursday evening, Jan. 22. At this meeting the members entertained their husbands. After the short meeting when plans were discussed for the entertainment at the meeting to be held at Roche's Point on February 10, when Lakeside Institute members are to be the guests of Roche's Point Institute, progressive euchre was played. Mrs. Percy Mahoney and Mr. Jack Bains won the prizes for the highest number of points. All present spent a very pleasant evening.

The sympathy of Keswick and vicinity is expressed to Mr. and Mrs. Isaac Waldon on the loss of Mrs. Waldon's mother, Mrs. Boe, by death on Saturday, Jan. 24. The funeral service conducted by Rev. Mr. Lapp, was held at Port Perry, the home of Mrs. Boe, on Sunday.

News and Views of People and Things by Isabel Inglis Colville

**People**  
If we lost our schools and our colleges, I wonder where we would be? This thought came to me as I listened to Mr. Bastedo talk on "Education," at our last Institute meeting. I am not speaking of that talk here—I give a synopsis further down this column, but in times like these we live in, education gives us a clearer idea of what we are up against.

Geography, history, ancient and modern, help us to follow a little more clearly the course of events, and to trace cause and effect. The meeting was unusually well attended, and sewing and knitting were the order of the day. The roll call, "A Book I Have Read This Year, and Its Author," was fairly well responded to, and there was a good paper on current events given by Mrs. Leslie Rose. Then Mrs. Ewart called on Mr. Bastedo for his talk, which, let me say, was listened to with keenest interest. Miss Betty Hope sang very delightfully, and then both Mrs. Ewart and Mrs. Fred Reid, our president, thanked Mr. Bastedo, and were echoed by the members. The meeting closed with "God Save the King." A dainty lunch was served by the committee and a pleasant and profitable afternoon had passed into history.

Miss Dora McClure of Toronto visited her mother, Mrs. G. McClure, over the weekend. The Willing Workers will meet at the home of Mrs. George Wood on the morning of Wednesday, Feb. 4. Mrs. W. Reid assisting. The members will get as much quilting done as possible, so come early and prepared. A pot luck lunch will be served, those to contribute to be advised in good season. Responsive reading, Mrs. W. Reid. Prayer, Mrs. Wood. Topic, "China's Christian Army" (part I) Mrs. R. Willis.

Mr. Don Chadwick visited at the home of Mr. and Mrs. George Hunt last week.

Mrs. Norman Kay is visiting her sister, Mrs. Wilton, and Mr. Wilton on Yonge Street.

Mrs. Bastedo of Newmarket was a guest of the Pine Orchard Institute on Wednesday of last week.

A very pretty wedding took place at the home of the bride's parents, Mr. and Mrs. Leslie Harper, when Gladys Harper became the wife of Albert Ridley. The ceremony took place in the living room under an arch of evergreen and white bells. The blonde bride looked very lovely in forget-me-not blue tulle, her flowers being sweetheart roses and bouvardia. The bridesmaid, Irene Harper, wore dusty pink and carried sunset roses. Roy Harper acted as best man. The ceremony was performed by the Rev. Chester Soules of Waterdown, cousin of the bride. Miss Margaret Booth, also a cousin, played the wedding march. Out-of-town guests at the wedding were Mrs. West of Toronto, Miss Margaret Booth of Mongolia, Mr. and Mrs. Caulfield and Miss June of Aurora, Mr. Green and Mr. Wilson of Galt, Mrs. Barnstable of Appleby, Mr. and Mrs. Walter Ridley of Peterborough.

Mrs. Earl Toole was present on Tuesday of last week in Toronto when Reeve Earl Toole assumed the wardenship of York County. Warden Toole was presented with a magnificent bouquet of flowers, which he in turn presented to his wife. Warden and Mrs. Toole made a very pretty gesture when they gave the flowers to be used as a floral background for the Harper-Ridley wedding ceremony.

Miss Brooks, missionary, will address the P.O. Union Church Sunday school on Sunday, Feb. 1. The Bogartown Community Club will meet at the schoolhouse on Wednesday, Feb. 4. Anyone desiring to contribute to the overseas boxes will bring their donations on that evening, Wednesday, February 4.

The Pine Orchard Community Club were the guests of Bogartown Club on Friday evening last. Pine Orchard supplied the program, giving the play put on by the children at the P.O. Christmas Concert. The Misses Betty Hope and Grace Sprouton sang a delightful duet and the event was a very pleasant one.

Miss Sadie McQueen spent the weekend at her home in Stayner. Mrs. Arthur Needler and Mr. and Mrs. Watson of Toronto visited Mr. and Mrs. Albert Needler on Sunday.

The Pine Orchard Community Club is having Mr. Victor Higgins of Newmarket present a Puppet Show on Wednesday evening, February 11. Time and place, 8 p.m. at the schoolhouse. As the proceeds are for war work, it is hoped a good attendance and response will be forthcoming.

The Pine Orchard Community Club are holding a skating party at Cedar Valley pond on Friday evening, Jan. 30. Lunch will be served later, at the home of Mr. and Mrs. Howard McClure. Pleasantville Girls' Club will meet at the home of Miss Joyce VanLaven on Saturday, Jan. 31st. Mrs. Gordon McClure, Miss McQueen and Mr. Rowbotham took tea with Mr. and Mrs. Sheridan of the 2nd on Monday evening.

**Things**  
"Contrasts in Education"  
One associates color with something solid, concrete, but at the January meeting of the Pine Orchard Women's Institute held at the home of Mrs. James Hope, we heard from Mr. Bastedo, our guest speaker, of color in education. He said that education in the democracies and in the totalitarian states was colored by the creeds and ideals which motivated them. Modern education, in the democracies had gotten away from the rigid adherence to the principle that all minds can be cast in one mold, and went rather on the premise that education was to develop the individual's mind and fit it for future usefulness.

In the years after world war No. 1, our educational system was colored by peace. We hoped and believed that those who had died to

the "war to end wars" had not died in vain, and that now we could set our minds on developing a peace program, and our young were taught the benefits of peace, and grew up in the belief that war was a hateful thing.

And so, following our democratic way of life, which has grown even stronger, but whose liberties are too often taken for granted, we had in our system of education—free teachers, free children, free—that is uncensored—textbooks, free minds, free courses of study. "Our textbooks," said Mr. Bastedo, "may not be perfect, but they are open to criticism and can be replaced at any time with those considered more suitable to advancing needs."

In the democracies, too, women since the last war have the franchise.

Then, in contrast, Mr. Bastedo spoke of the Fascist and Nazi Sepulchres of education.

In Italy, children from 2 to 22, and in Germany from 10 to 21, are forced to spend all their spare time in imbibing the doctrines of their parties. Their home ties are weakened and they are regimented into little armies of puppets, who are taught that the state supercedes home, religion and every other consideration, and so, when the state pulls the strings, the puppets act like puppets.

In Italy the church and the monarchy were able to exercise a restraining influence—although slight—but in Germany the children were told that "the scriptures are dead, and Hitler's ideology is to be their religion."

The children are overworked and undereducated in the real sense of the word, and consequently their standards, physical and morale are steadily deteriorating, and in the fields of science, there is a sad lack of students to take the place of those who have been killed in battle, or because of non-Aryan birth are in prison or concentration camps.

## HOPE

Mr. and Mrs. A. Gibson, Amy and Joe visited Mr. and Mrs. Amos Smith, Franklin, on Sunday.

Mr. and Mrs. D. B. Stickwood were dinner guests on Sunday at Mr. and Mrs. Edgar Pegg's.

Mr. and Mrs. August Gibson and Joe visited Mr. and Mrs. W. G. Stickwood, Holt, on Saturday.

Mrs. M. L. Pegg, Mrs. Auley Brenair, Mrs. S. Stickwood, Mrs. O. Stickwood, Mrs. D. B. Stickwood and Mrs. G. W. Fairbairn, Sharon, were entertained by Mrs. Elmer Stickwood, Queensville, at dinner and quilting on Thursday. Mr. and Mrs. Edgar Pegg had tea on Sunday with Mr. and Mrs. D. B. Stickwood.

Mrs. E. Pegg visited Mrs. Fountain, Sharon, on Friday.

Mrs. W. Wilnot entertained the Hobby Club on Tuesday.

Miss Phyllis Pegg, Newmarket, visited at Mr. Jack Pegg's on Sunday.

In the field of medical science, where Germany once shone, she is beggared. One doctor serves 35,000 people.

Teachers cannot organize, they must belong to a state group and swear fidelity to Hitler, or take the consequences. Women are inferior to men, says the Hitler creed, and when women are past child-bearing or infirm, the state has no use for them.

The Hitler ideology has colored German education to such an extent that the youth of Germany are contaminated with all its evils and even if taken from its influence will be long in returning to sanity and decency. Mr. Bastedo said "a good thrashing might hasten the process."

"Peace," say the dictators, is a detriment, war a bringer-out of good," so one cannot wonder that the world finds itself in its present chaos.

And so, we were shown by Mr. Bastedo, the extent to which party policies and the ideologies of a few perverted minds can color the education of nations, and again, we can feel thankful that there ARE democracies.

By Order of the Wartime Prices and Trade Board

## You Must Have a Licence by March 31, 1942

Every Person or Firm is Required to Have a Licence

1. if engaged in the business of buying for resale or selling any commodity; or

2. if engaged in the business of supplying any of the following services:

the supplying of electricity, gas, steam or water; telegraph, wireless or telephone services; the transportation of goods or persons; the provision of dock, harbour, or pier facilities; warehousing or storage; undertaking or embalming; laundering, cleaning, tailoring, or dressmaking; hairdressing, barbering, or beauty parlour services; plumbing, heating, painting, decorating, cleaning, or renovating; repairing of any kind; the supplying of meals, refreshments or beverages; the exhibiting of motion pictures; process manufacturing on a custom or commission basis.

IF YOU HAVE ALREADY APPLIED FOR OR OBTAINED A WARTIME PRICES AND TRADE BOARD LICENCE UNDER A PREVIOUS LICENSING ORDER, YOU SHOULD NOT APPLY AGAIN

### Why Licence Applications Should Be Made At Once

Apart from the legal requirements, licensing of your business will enable the Board to advise you quickly and fully of the price ceiling regulations that affect your business.

The name of every person who has been granted a licence or who has already applied for a licence is being placed on the Board's mailing list. Your name will be added when your application is received.

### To Get Your Licence

1. Get an application form at your nearest post office.
2. Complete the application and mail it, postage free: There is no licence fee.
3. You will receive by mail a Licence Identification Card bearing your licence number.

### Those Who Do Not Need a Licence

1. farmers, gardeners, livestock or poultry producers, and fishermen, unless buying goods for resale.
2. employees of a person or firm which is itself subject to licence.
3. operators of private boarding houses.

NOTE: Persons who have already applied for or obtained a Wartime Prices and Trade Board licence should not apply again.

IMPLEMENTS, REPAIRS  
LIMITED THIS YEAR

"Check Up and Order Now," Urges  
Ontario Department of  
Agriculture

The Administrator of Farm and Road Machinery has announced that on the basis of 1940 sales manufacturers of farm equipment are limited in production ranging from a decrease of 50% on certain types of less essential implements to an increase of 200% in the case of milking machines and cream separators. The production of attachments and repair parts is limited to 104% of 1940 sales. This means that 1942 production will be slightly less than the record sales of 1941.

Although supplies are limited, implement manufacturers and dealers are hopeful that all orders for spare parts can be filled, providing they know in time what the demands are likely to be. The Ontario Department of Agriculture urges that every farmer should without delay look over his equipment, tractor to binder and spray outfit, even to the hay fork and rope and wire for patching fences and inform his dealer of his requirements. This is a matter of supreme importance. Maximum farm production is required. Prompt delivery of repair parts cannot be guaranteed after the Spring work starts. Costly breakdowns and long delays and loss of time of men and equipment can largely be avoided by a careful overhaul of farm equipment during the winter months.

The Department of Agriculture is also urging that farmers swing in behind the Voluntary Agricultural War Committees being formed in every county. These committees are making a survey, the results of which will enable each neighborhood through planning and organization, to secure the maximum use of available labor and equipment in the community.

Great Britain needs more food from Canada. Supplies for domestic consumption in Canada are short. The maximum in production can only be reached by making the best possible use of what we have in every county, township, community and upon every farm.

Stonyhroke approached one of the members of the club. "I say, old chap," he began, "you can't lend me a fiver till Friday, can you?" "No," came the prompt reply. "But how did you know?"

## NEWS FROM KING CITY AND DISTRICT

Favourable reports were heard by a good attendance at the 55th annual meeting of King City Cemetery Company on January 24. Lewis Scott presided. Thirty-three burials took place during the year. A large number of bulbs were donated by Mrs. Forbear of Toronto in the fall, and were planted in the oval flower-bed near the entrance. This bed was originally planned by King Horticultural Society. Further improvements on the grounds were considered. Officers elected were: Marshall MacMurchy, president; D. M. Ross, vice-president; Walter Rilling, secretary; Oliver Sturdy, treasurer; Richard Williams, caretaker; D. M. Ross and Well McDonald, auditors; directors, O. Sturdy, Fred Willis, A. B. Wells, Andrew McClure, Marshall MacMurchy, W. J. Badger, Charles Diceman, Edward Bowen, Lewis Scott, Thomas Eard, D. M. Ross.

An interesting engagement has been announced of Jean Isabel McClure, daughter of Mr. and Mrs. Norman McClure of Roselawn Ave., Toronto, to Elwood Patton, son of Mr. and Mrs. James Patton of King, the marriage to take place Saturday, Feb. 7, at 4:30 in the chapel of St. George's United Church, Toronto.

A son was born to Mr. and Mrs. Ray Moore of Toronto on January 6. Mrs. Moore and children are visiting her parents, Mr. and Mrs. Frank Gabriel of King.

We are pleased to report favourable progress of Everett Wiltshire who recently underwent an appendix operation.

At the time of writing, Miss Mary Mitchell of New Scotland lies in St. Michael's Hospital in a very grave condition, suffering from a fractured hip, and a paralytic stroke. The incident is very sad indeed, and the circumstances surrounding the case complicate the situation. It appears that last week, Miss Mitchell was on her way to call Frank Douglas, her neighbour, to assist her with her uncle, Mr. Archie Kelley, 94 years old, who has been none too well. It was in the morning, and the fields were icy. She slipped and fell, and was unable to help herself except to drag herself to a point where she could be seen and call for help. It was probably well onto an hour, friends thought, before Mr. Douglas heard her call. Exposure and shock took their toll. She was removed to the hospital by Dr. Dillane of Schomberg, and has been unable to see visitors. It is to be hoped she regains a permanent and progressive condition. Miss Mitchell is the epitome of faithfulness and devotion in her home, and her many friends truly hope for her restoration to normal health.

Schomberg Horticultural Society held its annual meeting and heard annual reports. There are 33 members with promise of new members in the coming year. Receipts \$406.60. To Red Cross and British Bomb Victims, \$344.31. Shrubs were distributed to eight schools. The war effort was excellent, particularly the canned goods booth at the fall fair. Officers elected were: Dr. M. K. Dillane, president; Mrs. Fred Hunter, first vice-president; Mrs. Hugh Hamilton, second vice-president; Mrs. Claire Shaw, secretary; Mrs. Thos. Proctor, treasurer; auditors, E. Smith and J. V. Findley.

Schomberg Library Board called for the annual meeting last week. 1,537 books are in circulation; 30 new books were added last year. Children are taking a keen interest in reading and developing a capacity for good reading. Officers appointed: J. V. Findley, president; Mrs. Roy Dixon, secretary; Miss M. V. Burling, librarian and treasurer; directors, Mrs. R. Dixon, Mrs. Geo. Edwards, Mrs. J. McEwan, Mrs. Geo. Shoults, J. V. Findley, E. Smith, E. G. Lloyd, F. C. Cantelon, W. Poyntz. Nobleton Women's Institute will

hold a St. Valentine's dance on Feb. 13, in the community hall.

King W.I. will be held at the home of Mrs. E. M. Legge on Tuesday, Feb. 10. The Institute year is past the halfway mark. Executives and members of various branches would do well to check up on progress and values; an inventory as it were.

A few from the township are members of the Victory Chorus, Aurora: Mrs. Thomas Proctor is among them. "Can we get cost of production?" was the week's topical discussion by Radio Farm Forums. Twenty-five of the Laskay Forum meeting at Marshall MacMurchy's advanced opinions, advocating the keeping of strict cost accounts by industrial farmers; the farmer must attempt to improve his situation by petitioning and striving for a parity in prices between agricultural produce and that of manufactured products; greater government bonus on farm products are advisable; an attempt to lower spread in prices between producer and consumer, of farm products; community farmers meeting over problems of that particular area.

Mr. and Mrs. Frank Marshall will be hosts on Feb. 2. South Temperanceville group met at Mr. G. Phillips'. Interesting findings concluded that the keeping of accurate farm accounts is the only way to calculate whether the farmer receives the cost of production. Farmers could adopt the system used in Great Britain, where agricultural experts come in and give advice on farm management in cases where there is a great burden of debt and where farmers do not operate above the average cost of production.

In the topic on "Health," Mrs. Nelson Thompson gave a paper on the "Municipal Doctor System of Saskatchewan." It was generally agreed that their system of \$3.40 tax on each 160 acres of accessible land was satisfactory.

Everest Presbyterian W.A. held the first meeting of the year at the home of Mrs. A. McClure. Rev. S. W. Hirtle, Mrs. Hirtle, Mrs. Baisford, Mrs. Blanchard, all of Richmond Hill, and local ladies were among the visitors present. Mr. Hirtle installed the officers and conveners.

Mrs. Rock gave a description of her five years' residence at points in British Columbia, from 1919 to 1924, at Syringa Creek, and in the Selkirk. She painted the grandeur and natural beauties of these areas, distinctly different; one as a fruit district, the other a mountainous lumbering district. As a mother, a school teacher and Sunday school teacher her experiences were varied. The need for Christian literature, bible helps and churches in these wide expanses of Canada was a real need. Thirty-five miles from a church, with no means of ever attending service was the daily experience of one of these settlements. Opportunities in our Canadian West are ever present, and we would do well in these parts to remember sparsely settled areas that crave prayers and help.

The meeting heard Rev. Mr. Hirtle in an excellent address on the topic "Why Missions Today?" "Missions is the church, and is the only purpose of the church," the speaker announced. The Christian Church is not a society for selfish purposes, but an institution for changing the living conditions for all peoples throughout the world, beginning at "Jerusalem" in other words at home, in Canada, our life.

If the Christian Church had contributed as much in the past 100 years to uplift and evangelize civilization, as has been spent in the past two years of the present war struggle, war would never have come to pass. This church must redouble its efforts, for if we win the way and lose the church, we are defeated. Institutions of mercy, the products of the church, would crumble away without that backing.

The undermining of religious faith in Germany began in the nineteenth century, he pointed out. The rise of Hitler is no accident, the speaker asserted, but an expression of the people over 110 years or more. And so, today, we are fighting a civilization, even within our own bounds, which saps the vitals of life.

Quit playing with Christianity; quit playing at being Christians, Mr. Hirtle vehemently remonstrated. The great task of our day is not for a few women or a few preachers, it is a present life time job of each individual, beginning at "Jerusalem."

King United Y.P.U. held its opening winter meeting on Monday evening with installation of officers by Rev. H. Anderson. Visitors from other congregations in the locality were present.

#### UNION STREET

The regular meeting of the Women's Institute will be held at the home of Miss Violet Micks on Thursday, February 12th, at 2 p.m. (Please note the change of day). The roll call will be answered by "Improvements Needed in Our School."

The programme committee is Miss Ruby Forsythe, Mrs. Archie Sedore and Mrs. Melvin Wright. Mrs. W. R. Ashenhurst of Newmarket, spent a few days with her daughter, Mrs. D. Beckett. Miss Marion Wright, who has been on the sick list, is gradually improving.

A lawyer got into an argument with a physician over the relative merits of their profession.

"I don't say that all lawyers are crooks," said the doctor, "but you'll have to admit that your profession doesn't make angels of men."

"No," retorted the attorney, "you doctors certainly have the best of us there."

## SOLDIERS THANK EAST GWILLIMBURY RED CROSS

The following letters of appreciation for parcels have been received by the East Gwillimbury Red Cross:

Sat., Nov. 29, 1941.  
Mrs. S. C. Sheppard:  
I wish to take this opportunity to write you and let you know I received the parcel that was sent from the Red Cross of Holland Landing and that it was greatly appreciated. I only hope that every parcel that has left your hands for the boys over here arrives to them safely.

It must be a great job of making up parcels, stamping, wrapping and making sure there is the right address on them, and not forgetting the cost, so once again I hope every parcel is received and appreciated by the boys, as much as I do myself.

Thanking you again, I remain,  
Cpl. John Gibson.

Cdn. Army Overseas.

Thurs., Oct. 30, 1941.

Dear Mrs. Ramsay:  
I would like to thank you and the East Gwillimbury Red Cross Society for the splendid parcel that I have just received from you. It arrived in good condition and also at a time when it was very welcome.

I have transferred to a new regiment, which is a reconnaissance battalion and I am at their Holding Unit now waiting to go up to the front on draft. I didn't know a soul in the place I am in now until about five minutes ago. I started talking to one of my roommates, and he happens to be one of the Pivnick boys from Sutton. It is odd how some of these chaps turn up.

I think I will close now as I want to write to my mother and tell her of my change of address, as your mail takes a long time to get to you if wrongly addressed. Thanking you again,  
Yours sincerely,  
Earl Wrightman.

Pte Ward thanks you very much for your kind thought and cigarettes, which were immensely appreciated.

B-2758, Pte. G. H. Ellis  
My Dear Mrs. Sheppard:

I am taking this opportunity to thank you for the lovely parcel I received through you from the Red Cross. Everything was in good condition. I certainly appreciate your kindness more than I can tell you in writing. It is nice to feel that although we fellows are a long way from our native land that the people at home have not forgotten us.

The stockings, I am glad to say, are just my size. I am one of those fellows who is handicapped with oversized feet and usually have a little trouble to get a pair to fit, but these fit very comfortably.

You must forgive me for opening the parcel too soon, but a parcel is very awkward to carry in a pack, so we open them as soon as received so as to pack away.

I wish you all a Merry Christmas perhaps late, but still sincere. I thank you again. I remain,  
George Ellis,  
Holland Landing.

Dear Sirs:

Just a few words of thanks for the wonderful parcel which I received from you today. The contents come in very handy, and I appreciate it very much. I remain,  
Sincerely yours,  
Emanuel Thompson,  
P.S.—Enclosed you will find a sixpence as a souvenir.

Nov. 4, 1941.

Dear Mrs. Sheppard and members of the Red Cross:

Thanks for the lovely parcel as it sure is a treat to get things from home. It has been cold and damp over here, not like it is over home, but I am well and that is the main thing. There is not much news over here, so I will close, hoping you are all well. And thanks again for the things. I remain,  
Your friend,  
W. Dean.

Sunday, Oct. 27, 1941.

Dear Mrs. Ramsay:  
Just a few lines in acknowledgment of the parcel sent to me by the East Gwillimbury Red Cross of Sharon. I want to thank you and each individual responsible for it, my only regrets are that I cannot do it personally. You can tell them for me it was greatly appreciated. The Xmas cake and chocolate were certainly a real treat, as it is something that we cannot get over here.

I am sorry, Mrs. Ramsay, I don't know you better, perhaps I could write you a more interesting letter, but it seems rather difficult writing to someone you don't know. If you or anyone you know would like to correspond with me I would be only too glad to do so. I don't know if you know it or not but I lived around Sharon practically all my life and would be only too glad to hear from anyone around there.

I guess I'll sign off for this time, but before I close, I want to say once more thanks a million for the gift parcel.  
Hoping to hear from someone

#### HOLLAND LANDING

Mr. and Mrs. Albert Hunt and children of Toronto spent Tuesday evening on numerous friends in the village.

We are sorry to hear that Donnie Sweet, who has been ill most of the winter, is not so well again. All his friends hope he will soon be out again.

Mr. and Mrs. Loveday, Sr. and Mr. and Mrs. Eddie Loveday, Jr., of Toronto were the guests on Sunday of Mr. and Mrs. J. Sweet.

Numerous friends of Mrs. S. Sheppard gave her a surprise party at her home on Saturday evening, the occasion being her birthday. There were numerous out-of-town guests from Toronto and also from Bradford.

Mrs. J. Kemp and daughter of Willowdale visited on Sunday with Mrs. S. Cook.

The sympathy of the community is extended to Mrs. William Dean, who lost her sister recently in Ireland.

Congratulations to Mr. and Mrs. Leonard Foster, who were married last Saturday. The bride was formerly Miss Flossie Moffatt. The Rev. N. E. Bowles officiated at the ceremony in Bradford.

soon, I'll say Cheerio and best of luck to you all around Sharon, with best wishes from

FRIDAY & SATURDAY, JAN. 30-31

"We Go Fast" and "Pirates On Horseback"

"We Go Fast" is slated to open Friday at the Strand Theatre.

The laughs start when motorcycle policeman Don Deforest stops off at "Billy's Beanyery" to find fresh Alan Curtis flirting with Lynn Bari, the waitress Don had considered his girl. The two boys have a tussle, which ends only when a customer tries to hold up the restaurant.

Curtis foils the crook, and finds Lynn looking upon him with approval. This annoys Don, who is further angered when he is forced to sponsor Curtis' application to become an officer. And the way the recruit gets along with deb Sheila Ryan, to whom Don has given many speed tickets, does not please him either.

A murder mystery, and the hunt for a lost gold mine, make up a full share of excitement for Hop along Cassidy in the new Paramount picture, "Pirates on Horseback," which comes Friday to the Strand Theatre. William Boyd plays the title role in this newest Harry Sherman production.

MONDAY & TUESDAY, FEB. 2-3

"Suspicion" and "Father Takes A Wife"

New Mystery Romance Has Problem For Wife

Should a wife be willing to die for the husband she loves? Around this debatable theme has been woven the suspense-packed plot of "Suspicion," the new picture co-starring Cary Grant and John Fontaine.

Grant plays the part of the reckless ne'er-do-well hero of the offering, and Miss Fontaine that of the trusting country heiress who succumbs to his whirlwind wooing and

slopes with him, only to find she has married a man not to be trusted!

But no matter how damaging her discoveries, she loves him so that she forgives his misdeeds, at the same time becoming accustomed to the fact that he is capable of anything. And so when circumstantial evidence points in her mind not only to his having killed an old friend to get money but to his seeming intention of killing her as well, she is in a quandry. To betray him is unthinkable; but she doesn't really want to die, even to make him happy!

Bringing together Adolphe Menjou and Gloria Swanson, resuming her spectacular career, "Father Takes A Wife" presents a sparkling tale of modern marriage and its complications.

WEDNES. & THURS., FEB. 4-5

"West Point Widow" and "The Maltese Falcon"

The gay story of a girl who misunderstood her own heart is told in the new Paramount comedy, "West Point Widow," which comes Wednesday to the screen of the Strand Theatre.

Star of the new film is winsome Anne Shirley, who appears in the role of a nurse whose heart is sought by a handsome young interne, who believes that it belongs to a football hero at West Point. That's her belief, at least, until the young medico x-rays her romantic feelings and proves she doesn't know her own heart as well as she thought she did. How he does this forms the nucleus of the diverting story.

"The Maltese Falcon" said to be by the story of the best mystery thriller of the year, written by Dashiell Hammett, author of "Thin Man."

"Miss Green, do let me help you to more pudding."

"Well, thanks," said the young woman, "I will take some more, but only a mouthful, please."

"Bella," said the hostess to the parlormaid, "fill Miss Green's plate."

## How Rent Control Affects You —

as a landlord as a tenant

AS a part of the general plan to halt further increases in the Cost of Living, the Government on December 1, 1941, extended the policy of the Price Ceiling to rentals for all commercial and housing accommodation in Canada. Generally speaking the new rental laws provide that:

- (1) No oral or written lease for any commercial or housing accommodation (furnished or unfurnished) may legally be made after October 11, 1941, at a rental higher than the rent lawfully payable under the lease in effect on that date unless an application for increased rental has been made to and approved by a local Rentals Committee of the Wartime Prices and Trade Board. Such an application must be based on specified circumstances arising since October 11, 1941.  
NOTE: Land and premises used solely for farm purposes are not subject to rent control.
- (2) A tenant is entitled to a renewal of his lease unless the landlord requires the premises for certain reasons named in the Board's Rental Orders and has given the tenant a written notice to vacate within the time and in the manner prescribed therein. If this notice to vacate is contested by the tenant, the landlord must secure a Court Order for possession.
- (3) Copies of all Rental Orders and Regulations of the Board and application forms for rental variations are available from any of the regional or sub-offices of the Wartime Prices and Trade Board, and, in areas where such offices are not yet established, from the Clerk of any County or District Court or local Rentals Committee.

VIOLATIONS of these orders are punishable by law and should be reported in writing to the Prices and Supply Representative Regional Office, Wartime Prices and Trade Board, at the nearest of any of the following cities: Vancouver, Edmonton, Regina, Winnipeg, North Bay, London, Toronto, Brockville, Montreal, Quebec, Saint John, Halifax or Charlottetown.

### For bigger, stronger, more profitable pigs

To MAKE PROFITS FROM HOGS, FEED QUAKER PIG STARTER, AND GET THEM READY FOR MARKET AT 200 TO 220 POUNDS WEIGHT AT THE AGE OF ABOUT 5 TO 6 MONTHS.

Quaker Pig Starter is built around oatmeal, and research farms have definitely proved that oatmeal makes pigs grow faster, develops big strong frames, and increases resistance to disease. Because oatmeal is 94 percent digestible, there is less waste, and the pigs convert it into meat far more quickly and economically.

### Battling Baptist Cleric And M.P.P. Have Tilt

#### OPPOSITION EN-COUNTERED AT PROTEST MEETING

A brief but lively battle of words, at the conclusion of which the audience booed and hissed, occurred at Mechanics' Hall, Aurora, Friday night, with Rev. T. T. Shields, D.D., pastor of Jarvis Street Baptist Church, Toronto, and president of the Canadian Protestant League, and Morgan Baker, member of the Legislature for North York, as protagonists.

Mr. Baker declared that he was "a Baptist in good standing," and Dr. Shields asked, "In good standing with whom?" The M.P.P. said: "I know of no better way to slow up Canada's war effort than to give an address like you, a supposed minister of the gospel—a gospel of love—have here to-night."

There were boos and cries of "sit down." Someone yelled: "He doesn't know any better." Mr. Baker still smiling, sat down.

Dr. Shields charged Mr. Baker with being nothing but "a rubber stamp," while Ald. Leslie H. Saunders, Toronto, chairman of the meeting, said: "Mr. Baker is only an apologist for the Roman Catholic Church."

The meeting had been advertised as being held "to protest the Postmaster General's un-British ban on North Toronto Bible House." Speakers also included Rev. E. J. Taylor, proprietor of the North Toronto Bible House, and Rev. T. Christie Innes, M.A., of Knox Church, Toronto.

**VICTIM OF "GESTAPO"**

In outlining the objects of the Protestant League, Ald. Saunders declared:

"Canada's first victim of the Canadian gestapo has been the North Toronto Bible House, and I might add that Canada's gestapo is more vicious than anything Hitler ever invented."

Rev. E. J. Taylor, proprietor of the Bible House, outlined how it had been refused postal service. He had been accused of circulating "obscene literature."

"I challenge the Federal representative of this riding (Hon. W. P. Mulock, Postmaster-General) to face me in any court of Ontario and make a case against me," he declared.

"We are at war," declared Dr. Shields, "because we won't let Hitler dominate the world, yet the Roman Catholic Church is a governmental institution which claims to be above all states. Cardinal Villeneuve and the Roman Catholic Hierarchy are the real rulers of Canada. Lapointe was nothing but the puppet of Rome, and Jehovah's Witnesses were not silenced because of sedition but because they were enemies of the Roman Church."

Conscription was not being made law simply because Quebec did not want it. Roman Catholics did not want conscription because it would send their men overseas and prevent "breeding of more Catholic citizens for Canada."

"I was told only recently," Dr. Shields asserted, "that Cardinal Villeneuve and the archbishops of Quebec had said they would consent to conscription only if a French-Canadian were named to enforce it. All a man needs to be excused from military duty is a letter from his parish priest."

**HONG KONG INCIDENT**

"Why were 138 men sent to Hong Kong without training? Why is Australia now calling in vain for men? Because Canada hasn't got the men ready. Hong Kong should be enough to drive this government of Canada right out of office, for even if we have conscription, with Mackenzie King at the head of things it will be useless," Dr. Shields shouted.

Applause followed his address. Then Morgan Baker stepped forward from a back seat.

"This whole discussion needs a little airing from the other side," he declared, "and saying he was a friend of 'Bill' Mulock. He said that the matter of North Toronto Bible House mail had been submitted to W. S. Edwards, Deputy Minister of Justice, who is also a Baptist."

"He was solely responsible and Lapointe knew nothing of what had been done; he was never consulted," Mr. Baker asserted. He said that he had left Ottawa only yesterday and proceeded to remove pamphlets from an inside pocket. "These are the reasons for the post office ban," he declared, tossing them on the table.

Dr. Shields: "Will you read those pamphlets?"

Mr. Baker: "No. I wouldn't let my children read them and I wouldn't read them here before this assembly."

Cries from the audience: "Read it."

Mr. Taylor: "I am accused of distributing these and I never did it."

Mr. Baker read correspondence between Mr. Taylor and the department at Ottawa, and said: "Mr. Taylor says he does not know why they don't arrest him. Just let Mr. Taylor go out and distribute his literature and he'll soon find himself stopped."

"I have a boy somewhere on the Atlantic at this moment and there are thousands of others. They are fighting for something bigger than Dr. Shields and his friends are arguing about. There are French-Canadian boys there, too; they don't ask who their fellow is. They don't worry about whether he is Roman Catholic or Protestant."

**"MAGNIFICENT EXAMPLE"**

Dr. Shields: "Mr. Baker has done us a real service here to-night. He is a magnificent ex-

### YORK COUNCIL URGES PENSION INCREASES

Increases in old-age pensions and mothers' allowances were urged by York County Council yesterday when it adopted a resolution presented by Reeve Robert Ainsworth, Mimico. Basis of the request is the increased cost of living.

Deputy Reeve J. O. Scott of Weston criticized Reeve F. J. MacRae of York Township for his remarks on the over-expenditure of the Toronto and York Roads Commission, said to have overspent its budget by \$120,000. Warden Earl Toole ruled Mr. Scott out of order on the ground there was no motion before the council, and members, on a vote, upheld the ruling.

The Mothers' Allowance Board reported 720 were receiving allowances at Nov. 30, 1941, and that expenditures to Nov. 30 totalled \$301,124, compared with \$354,497 for 1940.

### Red Cross

The annual meeting of the Red Cross was held last Friday evening, Jan. 16, in the basement of the United Church, with the president, Mrs. Fred Dew, in the chair. The report of last year's work was given and was adopted. The following officers were elected for 1942: past pres., Mrs. Fred Dew; pres., Rev. H. Shannon; vice-pres., Mrs. R. Strasser; sec.-treas., Mrs. J. B. Aylward; convenors of work: knitting, Mrs. H. Shannon; sewing, Mrs. Geo. Pearson, Mrs. F. Cunningham, Mrs. W. Henry, Mrs. E. Strasser and Mrs. W. Bain; social committee, Mrs. Ronald Sennett, Mrs. J. L. Smith, Mrs. Angus Smith, Mr. Fred Dew, Mrs. Wilbert Dew.

### U.C. Annual Meeting

The annual meeting of the Queensville United Church will be held on Tuesday evening of next week. This meeting will follow the monthly W. A. to which all are invited to attend. As many as all possible are requested to attend the supper and meeting, and make it a real get-together.
